Academic overview

The Collier Exchange Program is open to MBA/MSc/MA students and qualified professionals. The Collier School of Management offers a variety of courses for its visiting students in strategy, entrepreneurship, finance-accounting, marketing, organizational behavior, decisions and operations research, technology and information systems. The program also offers courses from other TAU schools on Israeli Culture, History, Economics and more.

English requirements

All courses are taught in English.

A high level of English Proficiency is required. If your home school is not affiliated with [PIM](#) we require one of the following:

- TOEFL: we require a minimum of 100 on the internet-based test and 250 on the computer based test.
- IELTS: we require a minimum of 7.
- Students who completed their undergraduate studies in English or are currently studying their entire graduate degree in English can submit a letter from their home university confirming English proficiency in lieu of an English proficiency exam.
- An official letter from an English expert at the home university that confirms the English level is B2 or above.

Available Language Courses

Hebrew language courses are offered to exchange students at [TAU International](#) (the cost of these courses is not part of the partner's school agreement).

Courses

[Fall 2022 Course List](#)

*The full list of courses for 2023-2024 will be published about a month before the semester.

All students can take courses at [TAU International](#) (undergraduate level) and at the [Buchman Faculty of Law](#).

Course load

A term at the Coller School of Management runs 13 or 14 weeks and is divided into two modules. **Exchange students can stay for the full term or for half a term. Students attending the Full Semester are expected to take at least 5 Coller credits. Students attending half a term are expected to take at least 3 Coller credits.** Most courses are one credit. One credit is equivalent to 7 meetings of 2:45 minutes (with a 15-minute break). Two credit courses are 14 meetings.

One credit at Coller is 4 ECTS.

Learning expectations

Most courses combine frontal lectures with case studies and teamwork. The evaluation of class participation and attendance differs from class to class and is at the teacher's discretion.

Grading

The TAU grading system is based on scores of 0-100:

100-95=Excellent, 94-85=Very Good, 84-75=Good, 74-65=Fairly Good, 64-60= Fair, 60-0=Fail.

Transcripts are sent by e-mail to both the school and the students.

Exams

Exams are held during the 2-3 weeks following the end of each module. All exams are written ones.

Useful information

Housing and Living Expenses

On-Campus housing is not guaranteed and is offered on a limited basis. Students should seek housing as soon as possible. The Exchange Coordinator will provide students with information on housing around the city.

Off-campus housing: 600-800 USD per month (a room in a rented apartment).

Academic Expenses

~100 USD per term.

Other Expenses

Living expenses: 1,000 USD per month (transportation, food, pastime, etc.).

Student activities: 100 USD (optional).

Sport club: 400 USD (optional).

Important information

Health Insurance

Exchange students must have health insurance either from home or from an Israeli company (offered through the university). The estimated cost is 2.5 USD per day.

Each student must provide health insurance coverage documents prior to arrival.

Visa

The letter of acceptance produced by the Exchange Coordinator may be used to obtain a student visa.

Students should secure a student visa before arriving in Israel.

University Facilities

The TAU 220-acre campus is known for its aesthetic appeal. Its foliage, attractive buildings, and various lawns, where students spend time in between classes. Further, there are several libraries and computer centers. Social activities are plentiful and the Campus Sports and Recreation Center provides a broad range of activities.

The Coller School of Management has up-to-date technological and electronic infrastructure enabling the use of the latest teaching techniques. The classrooms are connected through a local area network, equipped with audio-visual, amplifying and screening systems. For those who use laptops, there is a Wi-Fi network available.

Important information

Internships

Many companies in Israel demand at least a full-year internship and some knowledge of Hebrew. Therefore, not many exchange students can land internships. Yet, some students contact foreign embassies or other foreign companies and do manage to find short-term internships.
