HEC Paris
Summer School

June & July
2020

What we OFFER

HEC Paris Summer School Programs are two-week, intensive programs offered in English.

HEC Paris Summer Programs are geared toward high-achievers with a business orientation, entrepreneurial mindset and passion for discovery. The Summer School welcomes participants studying at Master and Bachelor levels as well as young professionals.

Summer School Programs at HEC Paris are thought-provoking and demanding. As an HEC Summer School participant, you will:

- Develop an international outlook as part of a highly diverse class
- Establish a strong academic foundation with world-class HEC professors
- Interact with leading experts
- Earn the HEC Paris Summer School Certificate of Attendance and Program Transcript

All courses are held on the 300-acre HEC Paris campus. On-campus residential housing is available to all Summer School participants.

Learning METHODS

- On-campus seminars with influential speakers offer you the chance to interact with outstanding leaders
- Case study scenarios allow exploration and discussion of complex, real-life issues with professors
- Groupwork with international team members fosters understanding of issues from diverse perspectives
- Programs culminate in final projects or presentations, permitting assimilation of all your learnings

Established in 1881, HEC Paris is world-renowned for the quality of its degrees, faculty and research.

The HEC Summer experience extends beyond the lecture halls: you will benefit from opportunities to get to know peers both inside and outside of the classroom.

ACCOMMODATION

On-Campus Student Accommodation

Living on campus allows Summer School participants to take full advantage of campus life.

All participants have the opportunity to reserve housing in the HEC Paris Residence, a step away from the classroom. Summer School participants are housed in single room accommodation, including a private bathroom and shower and equipped with small kitchenettes.

How to **APPLY?**

Applying is Easy

The online application requires official academic transcripts, short-essay questions, your CV, academic transcripts, a 50 € application fee and a personal statement (if applying for merit-based scholarship).

For all programs, proof of fluency in English is required. In certain cases, an interview may be requested.

Application Calendar

The application process is rolling and applications are accepted on a first come - first serve basis.

Consult our website at www.hec.edu/summer-school or contact summerschool@hec.fr for further details.

The HEC Summer experience extends beyond the lecture halls. Summer students will get to know peers both inside and outside of the classroom.

Unparalleled Access to Leading Professors

- › Intensive courses (42 contact hours) taught entirely by HEC professors and leading professionals
- › Practical, hands-on approach as well as theoretical knowledge
- › Exposure to real business cases and interaction with leading guests

Our Campus Advantage

- › Situated 20 km southwest of Paris and neighboring Versailles
- › Campus infrastructure offers vibrant student life and well-priced student residences (accommodation not included in program fees)
- › Extensive sports facilities on campus
- › Language lab and library with access to vast internal and external databases

Sports

Participants have access to a myriad of indoor and outdoor sports facilities on the HEC Paris campus.

Culture

The HEC Paris campus neighbors Versailles and falls at the back door of Paris, the “cultural capital of the world”. While weekdays will be devoted to academics, weekends will be your opportunity to explore Paris and all it has to offer.
